

PREMIER Roadlines Ltd.®
We serve excellence ...

ABOUT US

Premier Roadlines Limited (PRL) is a public listed entity listed on the National Stock Exchange, with its headquarters in Delhi. With a market capitalization exceeding ₹300 crores and nearly four decades of logistics expertise, PRL specializes in the nationwide transportation of various dry cargo, ensuring each shipment is handled with exceptional professionalism to deliver unmatched customer satisfaction.

PRL is proud to be a 'CRISIL BBB/Stable' rated company, reflecting its strong financial stability and operational efficiency.

The company caters to a diverse clientele, ranging from multinational corporations to small and medium-sized enterprises across various sectors nationwide. PRL's operations are supported by a network of over 45 wholly owned and managed branches strategically located across India. PRL operates a specialized fleet of 5 Volvo FM500s, 5 Eicher Pro 8055s, and 120 + axle lines (Goldhofer, TII Scheuerle), equipped with drop decks (up to 150 MT), spacers, and other handling tools. Our owned mechanical and hydraulic modular trailers enable a 99% nationwide placement rate.

The company's state-of-the-art fleet offers clients comprehensive transparency and real-time information, all backed by a dedicated team of over 300 professionals committed to achieving the company's goals. Guided by the motto, "We Serve Excellence," the team continuously strives to stay ahead of the competition, ensuring PRL remains a leader in the logistics industry.

Dear All,

At Premier Roadlines Limited (PRL), we are equipped with cutting-edge infrastructure to seamlessly manage even the most complex logistics demands. Our relentless commitment to exceeding client expectations is guided by our core principles of trust, transparency and unparalleled customer satisfaction.

Our skilled team places enduring partnerships at the heart of our success, emphasizing the strength of relationships as the foundation of our growth. As leaders in the logistics sector, we strictly adhere to HSSE (Health, Safety, Security, and Environment) protocols, ensuring industry-leading practices.

Looking to the future, we are dedicated to environmentally sustainable and impeccably organized logistics operations. As a publicly listed company, PRL is poised for significant expansion into new verticals, unlocking greater value and opportunities for stakeholders. With a steadfast commitment to excellence, we are ready to drive the future of the Indian logistics industry for generations to come.

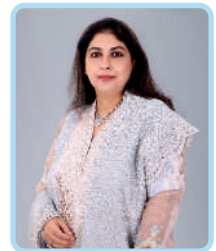

Regards,
Virender Gupta

General logistics covers non-contracted, spot-based requirements, typically involving urgent, short-notice, or just-in-time cargo movements that fall outside the scope of long-term agreements. This service segment is designed to handle:

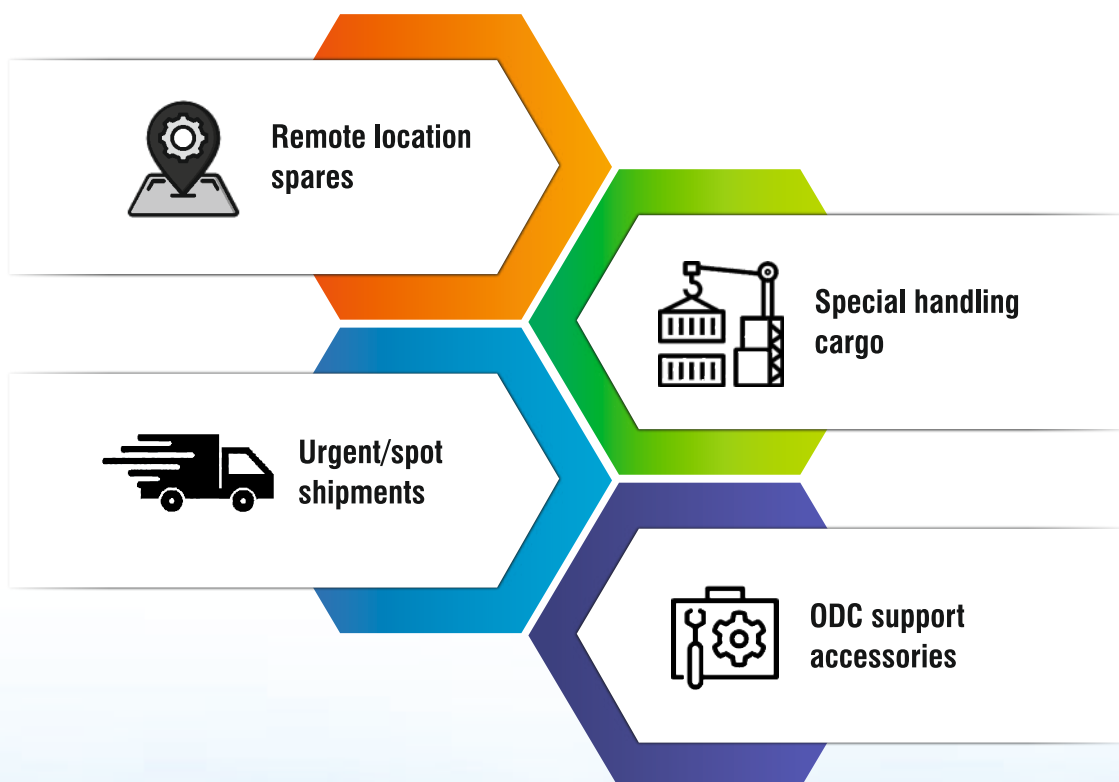

- Spares and accessories for remote, hilly, or complex locations not covered under standard contracts.
- Unconventional or miscellaneous shipments requiring special handling
- Just-in-time and short-notice requirements outside of long-term agreements.
- Key revenue driver: Accessories supporting ODC and contracted project logistics.

Road Transport to Neighbouring Countries and Remote Areas

With over four decades of expertise, we specialize in seamless cargo delivery to Nepal, Bangladesh, Bhutan and remote regions of India, including hilly terrains like Leh Ladakh, Jammu & Kashmir, Uttarakhand, and the Northeast.

- Network of 12 strategically located branches, headquartered in Delhi.
- Proven reliability and superior service in challenging terrains.
- Flexible storage with empty warehouse availability.
- Customs clearance and detailed route surveys for cross-border and domestic logistics.

Expertise in executing over 25 successful projects with precision.

PROJECT LOGISTICS

Premier Roadlines Limited (PRL) is a leading project logistics provider with the expertise, technology, and assets to manage complex cargo movements across India.

► State-of-the-Art Assets
